

# PREMIUM CHEMISTRY

## TREASURED HISTORY

**MACHINING & GRINDING COOLANTS**

**DRAWING & STAMPING LUBRICANTS**

**SPRAY & IMMERSION CLEANERS**

**RUST & CORROSION PREVENTATIVES**

**MACHINE MAINTENANCE LUBRICANTS**

**With more than 200 years of extensive field data and uninterrupted real-world experience under our collective belt, we at International Chemical Company are uniquely positioned to provide our customers with the highest-performing and most technologically-advanced products; all formulated with superior value in mind.**

**All ICC and ZURNOIL products are available for testing at no charge.** We provide free samples of recommended chemistries in order to comprehensively evaluate performance and economical value. **We look forward to working with you.**

- ✓ **The Absolute Best Lead Times in the Industry**
- ✓ **Free Samples for On-Site Testing & Evaluation**
- ✓ **No Minimum Orders & No Container Deposits**
- ✓ **Laboratory Technical Support, Product Testing & Analysis**
- ✓ **Custom Formulations & Specialty Products**
- ✓ **Personalized Shipping & Delivery Services**

### **METALWORKING FLUIDS & CUTTING OILS**

- Tapping & Threading Oils
- Bio-Based Metalworking Oils
- Sawing & Slitting Coolants
- Deep Hole & Gun Drilling Oils
- Honing & Lapping Oils
- Cold Heading Oils
- Micro-Drop & Mist Lubricants
- Premium Swiss Screw Machine Oils
- CNC Machining Coolants & Oils

### **MACHINING & GRINDING COOLANTS**

- Synthetic Coolants
- Semi-Synthetic Fluids
- Straight & Soluble Oils
- Wire EDM Fluids
- Bio-Based Cutting Oils

### **RUST & CORROSION PREVENTATIVES**

- Synthetic Fluids
- Straight Oils
- Water-Soluble Oils
- Evaporative/Vanishing Oils
- Specialty Metal Coatings

### **DRAWING & STAMPING LUBRICANTS**

- Synthetic Lubricants
- Semi-Synthetic Fluids
- Straight & Soluble Oils
- Evaporative/Vanishing Oils
- Metal-Forming Pastes & Gels

### **VIBRATORY & BURNISHING FLUIDS**

- Brightening
- Burnishing
- Deburring
- Degreasing
- Descaling

### **SPRAY & IMMERSION CLEANERS**

- Power Spray Cleaners
- Immersion Cleaners
- Ultrasonic Cleaners
- Solvent Degreasing
- Rust & Scale Removal

### **METAL-FORMING APPLICATIONS**

- Single-Stage Drawing & Stamping
- Multi-Stage Drawing & Stamping
- Progressive Drawing & Stamping
- Transfer Drawing & Stamping
- High-Speed Stamping
- Deep Drawing & Metal-Forming
- Tube Bending & Mandrel Drawing
- Piercing, Punching & Perforating
- Rough Blanking & Fineblanking

### **PREMIUM MACHINE MAINTENANCE LUBRICANTS**

- Hydraulic Oils
- Way Lubricants
- EP Gear Oils
- Spindle Oils
- Compressor Oils
- Pump Lubricants
- Vacuum Pump Oils
- Air-Line Lubricants
- Transmission Fluids
- Motor & Engine Oils

### **SPECIALTY PRODUCTS**

- Pre-Weld Anti-Spatter
- Bio-Based Hydraulic Fluids
- Bio-Based Rock Drill Oils
- Premium Quench Oils
- Heat Transfer Oils
- Penetrating Oils
- Concrete Form Release Oils
- Textile Lubricants
- Machine Cleaners
- Floor Cleaners
- Hard Surface Cleaners
- Defoamers & Additives

Together, ICC and ZURNOIL serve a wide variety of customers within a broad range of industries, from rural, family-owned shops, to large, multinational manufacturers and remanufacturers.
